Items Discussed

Technology Advisory Committee Minutes

The September 6, 2012 minutes were approved and are available on the NEOnet website.

Internet Safety and Cyber-Bullying Training – eTech

The internet safety training module from eTech is now available at <http://www.etech.ohio.gov/internet-safety-training>. Each schools needs to register. eTech has scheduled a face-to-face training here at NEOnet on October 26. Details are on their website and below in the eTech section of these minutes.

BYOT Meeting – October 15, 2012

There will be a BYOT discussion on October 15 at NEOnet in Room B. Eric Unangst sent out information. Please RSVP to ensure there's enough food for lunch.

Technology/Curriculum Joint Meeting – October 18, 2012 from 10:15 – 11:30 a.m.

This meeting will take place in Rooms 17/19 at the Summit County ESC.

November Assembly Meeting – November 5, 2012

The MRSC assembly will be meeting on November 5, 2012. The Treasurers and Technology Directors are encouraged to attend. There will be technology presentations from eTech and ODE. More details will follow at a later date.

NEOnet Network

- Lightspeed Mobile Device Management – a handout was given to attendees regarding this service and was discussed at the conclusion of the meeting with the rep from Lightspeed.
- NCS Wireless Onsite Training – a hands on training will be held at NEOnet on the following dates:
 - Thursday, October 25th at 9:00 a.m.
 - Wednesday, October 31st at 9:00 a.m.
- DNS and Fiscal Service Reminder – The DNS cutoff date is October 26, 2012. This is also when the IP address will change for the Alpha (Fiscal service).
- NEOnet Service URLs – a Google doc of URLs was set up and the link was sent out to the tech distribution lists.

E-Tech Update – Steve Crumbacher

- Internet Safety Training – webinars are available on the website (see above). In order to have district data loaded, please participate in the webinar prior to attending the face-to-face training. The face-to-face training is for the lead teacher at each district. Since space is limited, only one person per district can attend.
- eTech Ohio Conference – Early bird deadline is December 5th. October 10th is the deadline for speaker proposals. The Pass Key has opened for hotels also.
- K-12 Connectivity – The deadline is October 31, 2012.
- SpeakUp Survey – The survey officially launched on October 2. More information and promotional materials are available at <http://www.tomorrow.org/speakup/promo.html>.

Laurie Heikkila, Summit County ESC

A handout was given with information regarding the following:

- Apptoberfest – October 20, 2012 at 9:00 – 11:30 at the ESC.
- iPad classes
- What's Trending Now – a series of free after school hands on introductory workshops for educators.

More information can be found on the ESC's website at <http://www.cybersummit.org> .

Other Items Discussed

- SPARCC conference – will be held on October 8, 2012
- Download speeds have been extremely slow. Chris Zolla will investigate this issue.
- A Next Generation Technology Assessment meeting was scheduled for October 23, 2012 at 9:00 a.m. at the SCESC to discuss alternative assessment technology readiness.

Tom Jackson, Lightspeed Systems, was available after the meeting for a discussion of their services and products.

Next Technology Meeting

The next Technology Advisory Committee meeting is scheduled to be held November 1, 2012 at 9:00 a.m. in Meeting Room B at NEOnet.
