<p><b>Consent</b> <b>Emerg Med</b></p> <p><b>Permission for Field Trips</b> The purpose of this signature is to secure permission from parents so that their child/children may participate in Board of Education field trips. This permission will be for the entire school year. The classroom teacher will be responsible for notifying the parents prior to all field trips. I grant permission for my child to go on field trips under the supervision of a Norwood School professional staff member. Parents will be notified prior to all field trips during the 2017-2018 school year.</p> <p><b>Medical Authorization</b> In the event reasonable attempts to contact me have been unsuccessful, I hereby give my consent for: (1) the administration of any treatment deemed necessary by the named doctor on the Medical page, or by another licensed physician or dentist (provided the designated physician or dentist is not available); and (2) transfer of the child to any hospital reasonably accessible. The authorization does not cover major surgery unless the medical opinions of two other licensed physicians or dentists, concurring in the necessity of such surgery, are obtained prior to the performance of such surgery. Facts concerning the child's medical history, including allergies, medications being taken, and any physical impairments to which a physician should be alerted. This information may be shared with school personnel if it is pertinent to my child's health and safety, educational progress, and/or behavioral management.</p>
