2	 ProgressBook® Student Information		
3			
4			
7	Name	Module	Date Requested
8	Defect: Modify StudentEMISFD category to pull calendar no matter which building the fd record resides.	Ad Hoc Reports	4/10/2017
9	Unable to open the Ad Hoc Reports Help documentation on a MAC using the Safari browser - Error 404 File or Directory Not Found	Ad Hoc Reports	3/16/2017
10	OGT Assessment Verify incorrectly includes students grades 11 and under in current year	Assessment	4/17/2017
11	OELPA Assessment Import times out with larger files, but Assessment Import Management page incorrectly indicates all records imported and are listed on the Matched Tab	Assessment	1/3/2017
12	R320 - Multiple absence letters can be generated for the same student for the same rule on the same date if the user doesn't leave the page.	Attendance-Reports	1/31/2017
13	Students in prior years with EMIS Situation codes (396, 450, etc) inactivated in 16.2 receive Input string was not in a correct format error when trying to enroll strict match	Data Support	12/22/2016
14	When a student has 2 assignments for the same course (2 course sections) that has a course fee (thus has 2 course fees) and 1 assignment is dropped, both course fees are deleted instead of just one.	Fees	1/3/2017
15	Using bulk course section management to transfer & drop a course reassigns the full fee amount to each student	Fees	12/13/2016
16	Graduation Pathways State Assessments shows 0 out of 0 points for the required assessments when student is prorated in 6 subjects	Grad Points	4/17/2017
17	Grad Points Student transferred in with required assessments as Transfers causes Grad Points to give incorrect status for meeting requirements	Grad Points	4/17/2017
18	Graduation Points is using grade for History taken in 14/15 if no EOC record, should be ignored since History EOC was available	Grad Points	4/12/2017
19	For schools with semester courses, Grad Points Summary - State Assessment Pathway is only taking the semester course with the highest points into consideration.	Grad Points	3/10/2017
20	Graduation points state assessment pathway for math is including MTH1 & ALG1 points in totals, should only include higher point value (or points from one record) since these are on the same level	Grad Points	3/7/2017
21	Graduation points is including performance level points entered for EOC with score not reported = Y, should reduce total points required by 3	Grad Points	3/3/2017
22	Discipline Referrals entered in GradeBook come over to StudentInformation with no grade level.	PB Integration	2/24/2017
23	R401 student course request verification request start/end filters not returning expected results	Scheduling Reports	2/13/2017
24	Using Chrome and gear icon to print page on the Profile FN-Attributes tab, the font is larger causing multiple pages to print.	Student	3/7/2017
25	The Sent To 2 IRN/building name is bolded on the Profile - FS-Standing tab if something other than *****.	Student	2/14/2017
26	Using Chrome and gear icon to print page on the Profile FS-Standing and FD-Attributes tab, many values disappear/blank (still there just not display).	Student	2/10/2017

	A	B	C
27	Family Groups Wizard is including inactive status students and should not be.	Student	1/5/2017
