- New Assessment Import option for Extract File under the Assessment Imports dropdown of assessment options
- Imports the file created from the Assessment Extract option
- Imported results appear under Assessment Import Management
 - Options available just like other assessments to resolve unmatched records
 - Matched tab shows records that were imported successfully
 - Errors tab indicates any errors encountered in the load

The screenshot shows a web browser window with the breadcrumb "Student Information > SIS > Assessment > Assessment Imports". The page title is "Assessment Imports". There are two required fields: "Assessment Type:" and "File Name:". The "Assessment Type:" dropdown menu is open, showing a list of assessment types: ACT, OAA, OAA & OGT Alternate, OCTCA, OGT, OTELA, PLAN, SAT (Old Format), Redesigned SAT (New Format as of 10/2015), KRA, PARCC, OCBA, DORP, and OELPA. Below the dropdown is a button labeled "Assessment Extract". To the left of the "File Name:" field is an "Upload" button.
