

How to Update RIMP On Track/Not on Track Statuses from DataMap to StudentInformation

The RIMP On Track / Not On Track statuses from DataMap are updated in StudentInformation

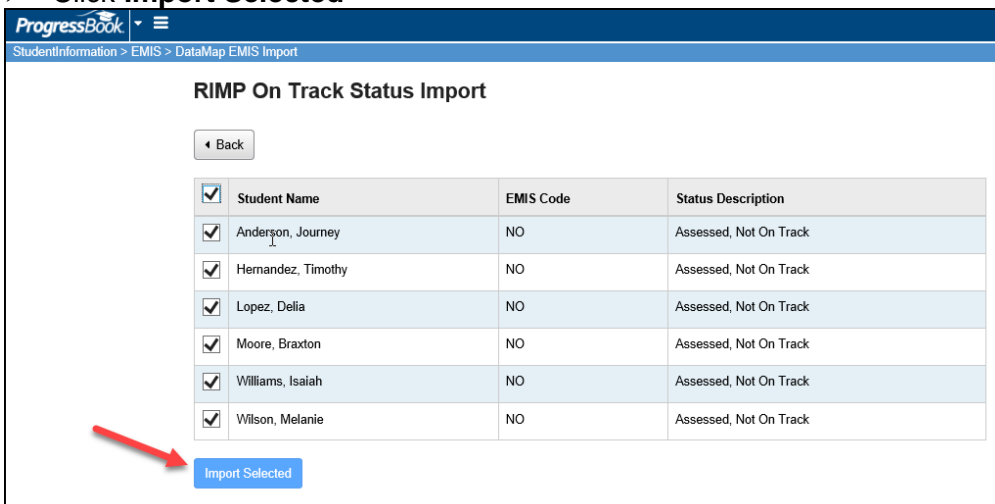

EMIS > DataMap EMIS Import

- Select Import type > **On Track Statuses**

The screenshot shows the ProgressBook interface for 'DataMap EMIS Import'. At the top, there is a breadcrumb trail: 'StudentInformation > EMIS > DataMap EMIS Import'. Below this, the title 'DataMap EMIS Import' is centered. A dropdown menu is set to 'On Track Statuses', and a red arrow points to it. Below the dropdown is a blue button labeled 'Preview Import'.

- Click **Preview Import**
- Select the student(s) to update
- Click **Import Selected**

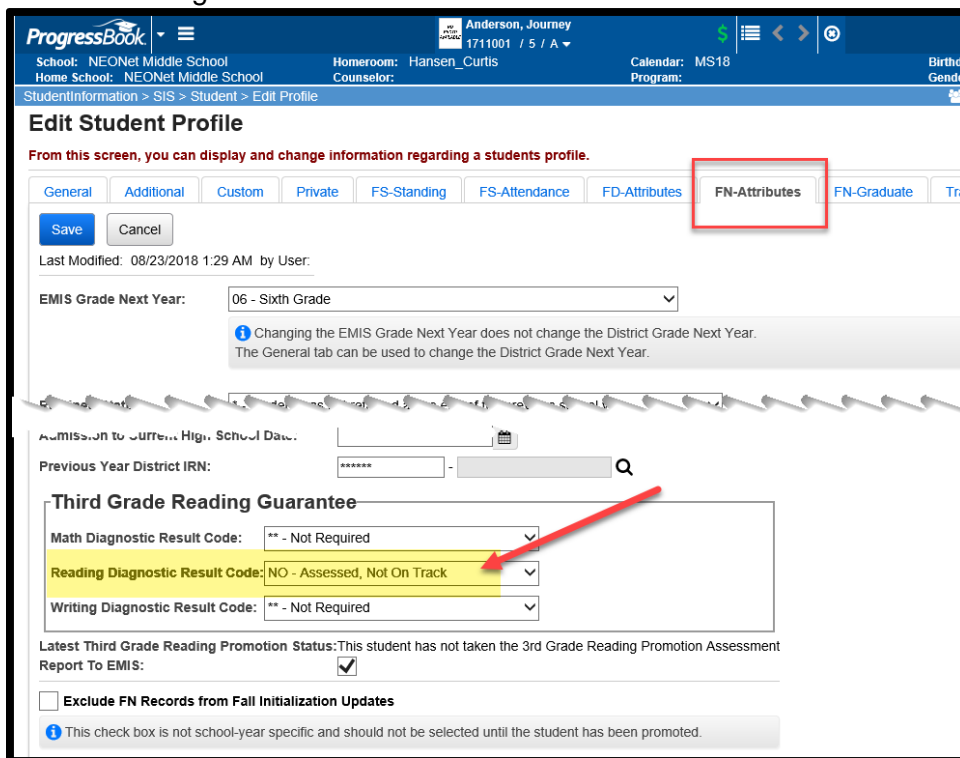

The screenshot shows the ProgressBook interface for 'RIMP On Track Status Import'. At the top, there is a breadcrumb trail: 'StudentInformation > EMIS > DataMap EMIS Import'. Below this, the title 'RIMP On Track Status Import' is centered. A 'Back' button is visible. Below the title is a table with columns for 'Student Name', 'EMIS Code', and 'Status Description'. All rows have a checked checkbox in the first column. A red arrow points to the 'Import Selected' button at the bottom left.
