   a. Who has a presentation or topic for sharing?

5. Future Meetings
   a. Thursday April 21, 2016

6. 3D Printer demo – Alec Broderick from Buckeye Educational Systems will be presenting on how schools can use a 3D printer in a makerspace, school, or library setting.

7. The computer lab has been scheduled for librarian use for the rest of the day. Please bring work or questions to work on.

After the meeting several librarians like to go out to lunch as a group. There are interesting conversations comparing different library programs, staffing, budgets schedules and more. An informal way to meet other librarians! Please consider joining us.
