

DASL Admin. Roundtable
December 10, 2020
10:00 AM – 11:30 AM
WebEx

- Current DASL Issues and Updates
 - DASL Open Defect Report
 - [Defect Handout](#)
 - We are still waiting on the ability to load ACT and SAT imports. [**See Action Items for follow up from Twinsburg](#)
 - Please review [Gradebook security documentation on our website](#). Currently, a defect will make you select schools in GradeBook.
 - Releases
 - Version 20.2 review [Slides 3-5](#)
 - Grad Points – College Ready Seal (Automatic Calculation).
 - Grad Point Membership/Program codes
 - Additional Program codes will be added by ODE for Seals in progress.
 - District and Building Information DN Tab: section headers have been renamed to reflect their EMIS reporting collections. Additionally, Invalid fields have been removed from the DN tab. PE Performance Measures have been reorganized and now have the capability to tab through the fields.
 - Student Status' in Teachers GB: Code and overall student status available
 - EOC Substitution report: AH report available.
 - Upcoming releases [Slides 6-8](#)
 - 20.3 will be available mid-to-end of December 2020. There are assessment import updates. Note: AASCD import update will be available in a later release.
 - Question will we be able to upload 3rd grade OST scores next week? It looks like that load is going successful! I believe this is more for EOC and OELPS
 - Core Summary records for non-graduate (grades 9-11) are to be reported starting in FY21. There will be an update to the S Collection menu.
 - Upcoming items on 2021 Roadmap include: Potential March Release for completion of Grad Seals work, more integration with School Health and DASL, Seals progress on ParentAccess, and dashboards!
 - 2nd semester tips [Slide 9-10](#)
 - Schedule changes – [handout available](#). Don't forget to transfer student assignments in GradeBook.

- Status changes - Remember you can use profile bulk update page to mass update a group of students.
- Homeroom changes - For some of you, the students' first period class matches their homerooms. For second semester, your homeroom doesn't automatically change just because the 1st period changes. Please remember to bulk assign your 2nd semester homerooms if applicable to your district
- Calendar changes
 - SNOW DAY: Reminder that if your 2nd semester start date is delayed due to a snow day OR COVID, contact NEOnet. We will take care of that particular situation for you.
 - Delete any Absences that were entered for students on the Calamity/Snow Day (Daily Absence List). Change day to Snow Day and enter as an EMIS exception
- COVID related ideas for 2nd half of the year [Slides 11-16](#)
 - Discipline reporting is now reportable year-round. Forgotten feature – Discipline can be added via teacher's GradeBook.
 - Removing exams/ mid-terms, etc. (Reminder that you can remove Exams from printing on DASL report cards with no action required from us).
 - Course Requests for 21/22 scheduling
 - Public Course Request Module
 - Bulk upload via spreadsheet
 - Course Request Mass Update Groups
 - **Anticipated EMIS collection of data Education Mode and Access** (More info to come and virtual sessions will be offered).
 - PEBT -will most likely occur again in January
 - Roster Verification – Intent to participate started on 12/7.
 - New option in Analytics Hub for contact tracking
- Ad Hoc Report updates [Slides 17-18](#)
 - Two new reports available: 'Class List with Contacts- aka Contact Tracing help' and 'Specified Marks by Student- aka R302A in Excel format'.
If you are interested in having these reports for you district please submit a ticket to studenthelp@neonet.org
- Initialization Survey for 2021/2022 [Slides 19-20](#)
 - There are two options for upcoming 20-21 SYI. Option 1: A step by step SYI recorded video will be provided January, 2021. Buildings that are comfortable doing SYI on their own can use their survey, the video and documentation to complete the necessary steps. Option 2: If interested in NEOnet completing your building SYI please submit a ticket

to studenthelp@neonet.org including the SYI survey and calendar. Please give us at least one week to complete this.

- Sample Survey –
 - <https://portal.neonet.org/documents/190>
 - <https://forms.gle/uzqCVR523HSSSHYE9>
- Complete survey and submit to studenthelp@neonet.org or studentservices@neonet.org

- Course clean up :
 - is Active vs. Roll Course to next year
 - Inactive courses/sections do not roll to the future year
 - Deselecting Roll Course to next year causes the course (including all course sections) to not roll up to future year.
 - You can have IsActive in 20-21 and deselect Roll Course to next year and it will be used in 20-21 but not 21-22.

 - NEOnet scheduling service:
 - \$2.00 per student and can be per building. Please provide master schedule and NEOnet will enter requests, team requests, batch scheduler, course group assignment, etc.

 - Training Opportunities:
 - Please register on website and webinar details will be sent to you. DASL Zoom labs are available upon request. We are providing virtual-only training until further notice.
 - Batch Scheduler (HS/MS) 2/18, 3/11
 - Public Course Request 1/15, 1/21, 1/28, 2/5, 2/11, 3/8
 - Mass Course Request update demo's
 - Elementary Scheduling
 - Calendar EMIS Exception – Information coming at next April RT
 - School Health Management demo- Awaiting price per student, look for winter virtual demo.

 - District Sharing

 - Next Meeting Date/Time- April 15, 2021
