

- Civil Rights Report Updates

- Software Answers is currently working on the updates to Civil Rights Reports 1 and 2, Additional data pages, and the .csv layout for the changes in reporting.
- NEOnet student services will send out email notification when the updates have been applied and you can start using the reports in DASL.
- The Office for Civil Rights anticipates the submission tool to open in late January/early February. Districts will have 75 business days to complete the survey from the open date.
- Reminder- Good Documentation @ ? Icon- End User Guides- Student and Registration

- ACT Pre-ID

- ACT Pre-Id files will be available through the Ad-Hoc Reporting Tool
(not tied to a release, NEOnet can pull down as soon as they are available)
- Layout will work for both JVSs and traditional school

16.2 Release

- It is anticipated version 16.2 will be applied Wednesday, December 7th.
- Please review release notes when sent out by Student Services, as we are only covering a few of the items to be released.

Students who completed a course prior to enrolling in the district may receive prorated points depending on how many assessments they still need to take. The number of points required is reduced depending on how many assessments are prorated.

Regardless of the tests remaining, at minimum, out-of-state and home-school transfer students must take the English II and either the integrated math II or geometry end-of-course tests and earn a minimum of five points across tests in order to graduate.
